— Description

The Patent Leather is a type of varnished leather covered with a shiny and polished finish and needs special maintenance. Tarrago Patent Leather not only effectively cleans patent leather, it also provides nutrition, improves color and protects against cracking and annoying fingerprint marks. The content in avocado oil from Tarrago Patent Leather confers excellent softening and nourishing properties to patent leather, thus prolonging its life and use. In addition, carnauba wax - natural wax of plant origin - also known as "the queen of waxes" for its characteristics and properties, provides shine and protection.

— Characteristics

-  Available in colorless color.
- 75ml / 2,5 fl.oz.

— Presentation

PACKAGE	BOX UNITS	BOX SIZES	BOX WEIGHT	PALLET UNITS	EAN CODE
Sponge applicator 75 ml - 2.5 fl oz	12	150x115x150	1,22 kg.	5.400	(0) 8427457549005 (18) 8427457549180

— How to use

1. Remove all dirt from the surface with a dry cloth.
2. Shake the bottle.
3. Apply the product evenly by gently pressing the sponge on the surface.
4. Let dry for 5 minutes.
5. Rub with a cloth to remove a product and obtain the desired shine.
6. Clean the sponge with water.

— Tips

- Easy and practical application thanks to its sponge.
- This product is environmentally friendly, thanks to its water-based formula.
- To change the color of your patent leather shoes, you can do it with the Tarrago Penetrating Dye taking into account that you can only dry them from clear to dark.
